## REGULAR ARRIVAL

### REGULAR ARRIVAL

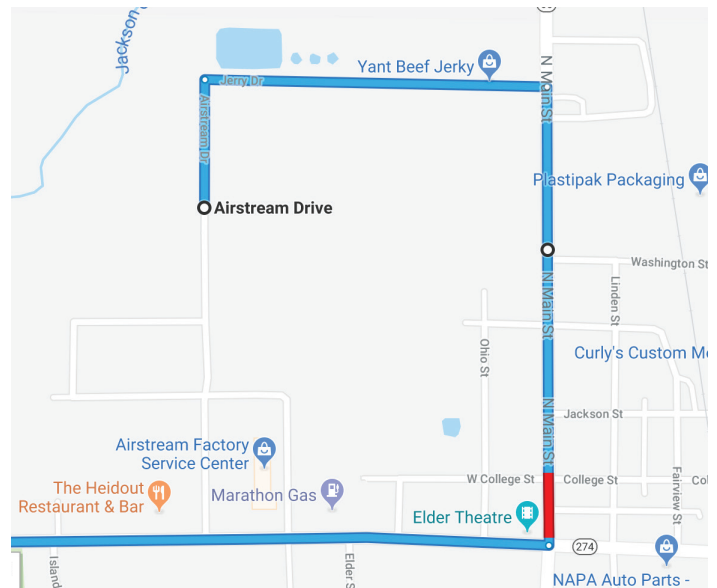

If your receipt does not say “Early Arrival”, you should plan to arrive on **Tuesday, September 5 or later**. If you arrive over the weekend or Monday, you will be parked but you’ll be charged an extra \$50 at the gate for Early Arrival.

You will drive past both the new and the original Airstream factory if you come in from the west. Do not turn in at either entrance. Follow the signs.

Continue .02 miles past the original Airstream Factory and turn left on N Main, at the stop light. Follow N Main 0.4 miles and turn left onto Jerry Drive. Stay on Jerry Drive (it turns left) to the north gate of the Airstream plant.

Our friendly parking crew will meet you at the gate to collect your receipt. They’ll direct you to one of the parking areas. Be prepared to live without hookups for a few hours, as it takes some time for the water/ electric crew to connect everyone.

If you need to dump the Airstream tanks before parking, go to the Airstream Service Center entrance and use the public dump station there, then turn around and follow the directions above to get to the north gate on Jerry Drive.

**IMPORTANT: Please bring a printed copy of your registration email with you to show when you arrive.**

## IF YOUR REGISTRATION SAYS “EARLY ARRIVAL - ARRIVE SEPTEMBER 1-4”:

*These directions apply only to people who have receipts that say “Early arrival”. If that’s you, you can arrive over Labor Day weekend or Labor Day. Early parking starts Friday afternoon and continues through Monday, ending each day at 6:00 pm. If you are arriving after 6:00 PM you may need to spend the night boondocked in the lot or on Jerry Drive (see page 1)*

## IF YOU HAVE BOOKED AN ELECTRIC OR GENERATOR CAMPSITE (this applies to most people):

Turn on to Airstream Drive at the stop light, and take the second right turn into the west service center parking area.

Our friendly parking crew will meet you at the gate to collect your receipt. They’ll direct you to one of the parking areas. Be prepared to live without hookups for a few hours, as it takes some time for the water/electric crew to connect everyone.

**This map is for early arrival only. See page 2 if arriving on September 7 or later.**

**IMPORTANT: Please bring a printed copy of your registration email with you to show when you arrive.**

The parking crew will meet you at the gate and direct you to a site, during the day before 6:00 p.m. Some sites are back-in sites, so tell the parking crew if you need a pull-through.

If you arrive after 6:00 p.m., the gate may be closed so be prepared to spend the night parked on the entry road (Jerry Drive) until the gate opens in the morning.

Arrive with full water and empty gray/black holding tanks because you may not have hookups until the event starts on Tuesday.

# THINGS EVERYONE NEEDS TO KNOW

**ELECTRIC SITES** will have 4 trailers sharing a 20 AMP, which is for keeping your batteries charged. You will be sharing this power with many other people, so don't try to run air conditioning, microwave, and other AC-powered appliances or you'll trip a breaker and upset all your neighbors.

Makes sure your refrigerator is on "Gas" setting, not "AC". If you have a 12 Volt DC only refrigerator you have been parked with others that will allow you to run it. Using DC-powered appliances (lights, water pump, furnace, 12v fan, etc.) is OK. Please, no generators at the electric sites!

**GENERATOR SITES** have no electrical connections, but you can run your generator anytime between 8:00 a.m. and 10:00 p.m.

## WHAT ABOUT THE TERRA PORT?

The Terra Port spaces will be locked on the Labor Day weekend and unlocked only for people who are on the list of confirmed service appointments.

## REGISTRATION

When you pull through the gate and are checked in you will be given your goody bag. One bag per trailer or group. If you are a walk in attendee and registered before August 15th you will get one goody bag per group.

Your goody bag will contain the full event program, name badges (which serve as your dinner & door prize tickets), and a bunch of other stuff. The T-shirts that you pre ordered will be in the bag. If there is a need to exchange your shirt please see our event booth in the vendor tent to do exchanges as soon as possible. Exchanges end at 4:00 PM on Thursday.

Please wear your badges all the time! You need to show them to attend seminars, win prizes, enter contests, and get other perks we've arranged for you.

Schedule changes, daily door prize winners, and other important announcements will be made at 4:00 p.m. daily under the main tent.
